

Scaling Success – For every \$1 spent the Jebaily Law Firm got \$7 back

ROI
7:1

Jebaily's Story

When the Jebaily Law Firm, a South Carolina Personal Injury firm, signed with Consultwebs their website was outdated. Their main menu was difficult to see and the overall design was difficult to navigate. The website was very generic and was not optimized to be responsive for mobile users.

The Challenge

Their primary goal was to gain more personal injury and workers' compensation cases through their digital presence. After achieving that goal, the firm evolved to a new goal of achieving a 5:1 ROI. For every \$1 they spent in marketing, they wanted to receive \$5 back in return.

How Consultwebs Helped

Redesign of law firm's website

Ongoing Search Engine Optimization efforts

Agile Digital Advertising Campaign

For every **\$1** spent, the firm got **\$7** back

During our time with Consultwebs we have seen very impressive results from their dedicated efforts! The team is fantastic! They are creative, enthusiastic, and very responsive to new and better ways to get us positive results! I give them my highest recommendation!
